REGISTER OF ALUMNAE

The 1957 ALUMNAE ADDRESS REGISTER *is the first publication of its kind since 1947. It is sent upon order at $3.00 per copy, but is available only to alumnae, faculty and officers of Vassar College.*

The names of all graduates are listed. Non-graduates are listed as alumnae unless specific request has been received that a non-graduate's name be omitted from the list.

Address changes were made as received until April 1, 1957. No changes were possible after that date, even though they were received and recorded in Alumnae Office.

The ALPHABETICAL LIST *contains the names of living graduates and non-graduates from 1867 to 1957, with cross reference to maiden and married names; the address follows the married name. This list includes some graduates and non-graduates for whom Alumnae Office has no address but who are, presumably, living.*

The NECROLOGY LIST *contains maiden and married names of both graduates and non-graduates, with cross-references.*

In the CLASS LIST, *the entry is under the maiden name only, with the married name in parenthesis. In this section, those who received the B.A. degree are listed first. Non-graduates follow the listing of graduates of each class.*

The GEOGRAPHICAL LIST *contains the names of all living alumnae whose addresses are on record at Alumnae Office.*

The date of graduation appears after the name in all the lists except the class list. When two dates are given, the first refers to the class with which the alumna entered, the second to the year in which she received her degree.

Preparation of material for this register has been done by the staff of Alumnae Office under the direction and with the active participation of Margaret Wagoner. We recognize the inevitability of mistakes, but the work has been as meticulously and as carefully done as seems humanly possible.

GERTRUDE G. GARNSEY, *Executive Secretary of the Associate Alumnae*
